2. Clicking on the names of both Supervisor and second marker will show each of their profiles (through CIS system).

3. Students can send messages to their supervisor/second marker via posting a comment, similar to posting a comment on Facebook.

Uploads page

4. Student clicks on which document to upload e.g." proposal/pitch/reports", and a modal light box window pops up (see number 5)

5. Student then chooses a file and clicks upload. File then displays in a table i.e. see first row of table. Student can then add a comment on that file through "add comment".
